- PRESS RELEASE // MEDSEATIES PROJECT -

April 16-17, 2015 --- The third Steering Committee of the Medseaties's project took place in Thessaloniki, Greece.

The objectives of the meeting were mainly to share conclusions related to local governance improvement, experiences and results of the pilot projects.

Partners shared, expressed their doubts and difficulties in the implementation of the activities in each territory and worked together finding solutions.

The meeting focused on the progress made in the different activities implemented by the partners. From an administrative and management point of view, the steering committee drew a statement of account of its deliverable materials and communication tools to better improve the project.

This meeting was also the opportunity for the City of Thessaloniki to present the new face of the waterfront recently renovated.

About MEDSEATIES

MEDSEATIES aims at contributing to the empowerment of Mediterranean local authorities and private stakeholders in the multi-level decision-making processes related to the management of coastal cities. More information: www.medseaties.eu
